SUPPORTING CHILDREN'S EDUCATION

“I wanted a career that gave something back to the community.”

The Australian Scholarships Group (ASG) is a not-for-profit friendly society committed to helping provide children with the best possible start to life through education.

As well as helping parents and future parents prepare for the costs of their children's education, ASG aims to make a positive impact on children's futures through its parent and student resources, publishing activities, teaching award programs and multimedia educational products.

By working for ASG, you'll help thousands of families all over Australia and New Zealand, and will help make a positive difference to the lives of many children.

Deidre started with ASG in 1992

“I wanted to work for an employer that would help develop my career.”

ASG works with its staff to help develop their career. ASG invests in its staff through internal and off-site training and professional development programs and through study assistance. These are some ways ASG can help build your career while at the same time enhance its service to its Members.

Many staff at ASG have also taken advantage of career progression opportunities and internal promotions.

Acknowledging staff commitment is as important to ASG as developing staff careers. Through staff and years of service award programs ASG ensures staff milestones and achievements are recognised.

Michelle started with ASG in 2004

“I wanted a work environment that was safe, fun and easy to get to.”

Providing staff with a work environment that is safe and friendly is the utmost of importance to ASG.

Staff enjoy on-site gym facilities, indoor and under-cover outdoor staff areas, table tennis facilities and more. Plus a social club gives staff the opportunity to socialise outside of work hours and attend a program of events.

And to make it easier, a bus stop out the front and a train station within easy walking distance makes ASG easily accessible.

Nengsy started with ASG in 2006
and Aaron in 1999

“I didn’t know when I joined ASG just how important family friendly work hours could be.”

ASG understands that being a parent may involve working outside the standard 9 am to 5 pm hours. ASG’s part-time and flexible work hours provide staff with the flexibility they may need to meet family or other commitments.

And if you’re looking to spend time with your family or enjoy some sun over the summer holidays, you can. Every year ASG staff enjoy the benefit of an extended end of year break.

Not only that, with flexible hours you can avoid peak hour traffic.

Nick (pictured with son Joshua) started with ASG in 1999

Why work at ASG?

- Because working for an employer that helps grow your career is important to you.
- Because giving something back to the community is important to you.
- Because having the flexibility to balance work and family is important to you.
- Because having a work environment that's social, inclusive and safe is important to you.
