- ASG's Junior Art Award is open to ASG members' children who are currently attending primary school in Australia and are in Prep to Grade 4.
- Artwork should be submitted as a digital image online through <http://ozkids.com.au/>
- We recommend a parent help the student in submitting their artwork. Please ensure the student's ASG membership number, name, age, grade/year, school name, and postal address is included on each entry.
- All entries must be received by 5pm, 6 October 2017 to be eligible for the awards. Entries received after the closing date will automatically be eligible for the following year's awards.
- Other award categories are open to all Australian students currently attending school in Australia. There are three age categories: Junior (Prep to Grade 4), Middle (Grade 5 to Year 8), and Senior (Year 9 to Year 12); and there are four art categories: drawing, painting, photography, and computer art.
- ASG reserves the right to publish all entries, with further publication rights assignable to the Young Australian Art Awards.
- An independent selection panel will select the finalists, with initial judging carried out on the image of the artwork that is submitted through the Young At Art website. Artwork is judged within age groups and is based on: originality in design, quality of work, creativity, and effort shown in artwork. The selection panel's decision is final and no correspondence will be entered into.
- Finalists will also be requested to mail their original artwork to assist the judging in the final selection round to select the award recipients. Submissions must be accompanied by a signed and dated entry and authority form, which will be sent with initial notification. All submissions will be retained for a period of no more than 12 months for use in promotion and public exhibitions.
